

APPLICATION PROCESS

Macon-Bibb EOC Pre-K program will open Pre-Kindergarten registration soon. Applications for the Georgia Pre-K program can be submitted online through the agency's website at www.maconbibbeoc.com or by clicking [here](#). Submission of the application does NOT guarantee acceptance into the program. Selection is based upon enrollment for the program.

Students may attend Pre-K at one of our neighborhood locations:

- Agnes Barden Center 
- Walter P. Jones Center

Parents will be notified by email of their child's acceptance into the Macon-Bibb EOC Pre-K Program. If a child is not selected, his or her name will be automatically placed on the waiting list for the school to which they applied.

If a child is selected, parents will be required to provide registration documents during the on-site application process. If application documents are not received during this time frame, the child's Pre-K slot will be forfeited. For a list of program required documents, please click [here](#) or visit our Georgia Pre-K Program page at www.maconbibbeoc.com.
